Some important tricks to remember the international organisation and head quarters:

- The international institutions starting with 'World', its headquarters is in Geneva for example- WHO, WIPO etc.
- The international organizations related to petroleum, industrial development, and atomic research have their headquarters in Vienna. Example- OPEC, and International Atomic Energy Agency.
- related to money have headquarters in Washington DC such as World Bank, IMF.
- related to economy and education have headquarters in Paris such as UNESCO, and OECD.
